

CALIBRATION MORNING

Wednesday 11th Aug 2021

**IN CONJUNCTION
WITH NIGEL LEE
CALIBRATION
SERVICES**

ANY MAKE OR MODEL CALIBRATED

Drop your testers off before Wednesday 11th August 2021 for calibration on that day. Unfortunately, arrivals after this time cannot be guaranteed to be calibrated on the day**. We also offer a free of charge collect and delivery service please ask for details. Testers can be dropped at the Newton Abbot, Torquay or Paignton branches.

Not due for calibration yet?

Don't worry, you can still benefit from our excellent prices. We will reduce the amount you pay by how much calibration is left on your meter, as shown in the price list below. You will then benefit from calibration day prices every year.

COVID-19

Depending on the government guidelines on the day, customers may not be able to wait for their meters to be calibrated but will be contacted when they are ready to collect.

We thank you for your understanding.
